

## Welcome back to Oakwood's Childcare and Kid's Programming

Please take a moment to review the following guidelines and protocols before your family's first visit to Childcare.

- Oakwood is offering stable cohorts for approximately a 1 month period
- Cohorts will consist of 2 staff members and no more than 14 children, ages 4 and up
- Dates will be outlined when registering for the time frame
- You are signing up for the days and times outlined and understand that you cannot switch to other times
- This group will stay together for the month and children and staff cannot rotate into other times
- Whether paying hourly or through your membership dues if applicable, you understand that you are paying for the days and times outlined, whether you use all days or not
- Proration or refunds for unused days will not be offered
  
- Children 2 and over are required to wear masks at all times
- Members are asked to symptom check their family prior to each visit to the Club
- All family members entering the Club will be temp checked upon arrival and asked COVID screening question each time
- Children who exhibit any signs of illness during their time in Childcare will be asked to be immediately picked up.
  
- We will offer activities and options to encourage kids to stay 6 feet apart
- Children may have access to the Jr room, but we will NOT be allowing for screen time
- We will not be offering snack time until further notice, please ensure kids are full and ready to play

All parties, including adults need to ensure a reservation for the Club. When registering for a cohort time slot, your child(ren) are registered ongoing for that timeframe, however adults using the Club will need to ensure they book a corresponding reservation.

I have read and agree to above protocols outlined above and understand this is not an exhaustive list and may be amended.
